

Yaquina Bay Estuary Management Plan Update

The Yaquina Bay Estuary Management Plan outlines what kind of development can happen where and which areas are set aside for protection in the Bay. Local officials from Lincoln County and the cities of Newport and Toledo are working together with the Oregon Department of Land Conservation & Development to update the Estuary Management Plan to serve the communities around Yaquina Bay, for generations to come.

We're inviting community members to an Open House to learn more about the estuary from local experts as well as how the Plan is being updated. This will also be an opportunity for community members to share input on what features of the Bay are important to them.

DATE: Wednesday, April 5, 2023

TIME: 4:00-7:00 PM

LOCATION: Newport Public Library
35 NW Nye Street, Newport, OR 97365

Light refreshments and snacks will be served.

No registration is needed. Come by any time to pick up information or to talk with local experts about Yaquina Bay and the estuary management plan.
